## ABOUT ME

I am a graphic designer and multimedia artist with 3 years of professional experience and a number of remote clients across the east coast. My work ranges from designing websites to animating motion graphics, and everything inbetween. I pride myself on my unrelenting work ethic, the quality of my finished products, and always aim to surpass my previous milestones!

## EXPERIENCE

### FREELANCE WEB DESIGNER

Hudson Archival & Elevate IMS | Oct 17 - Present

I create, administrate, and modify websites for Hudson Archival and Elevate IMS's clients on a per-project basis. Related skills include HTML5, CSS3, Javascript, and WordPress.

### ARTIST AND CREATIVE WRITER

The Lovent Group | Dec 16 - Present

I produce audio, video, and written content for players of Lovent's ARG projects. We also work alongside Montreal-based game company Alice & Smith on scripting event storylines.

### FREELANCE GRAPHIC ARTIST

Well Said Media | July 15 - Dec 17

I create and design motion graphics elements in Adobe Photoshop, Illustrator, and After Effects by working remotely for Well Said Media on a number of high-profile projects.
